Letter from the Executive Director

Dear Community Partner,

Thank you for considering a partnership with Love Foundation. We are a volunteer-driven 501(c)(3) nonprofit organization committed to empowering women, protecting children, and helping local families overcome crisis with dignity, compassion, and practical support.

Every sponsorship helps provide resources for families facing domestic violence, abuse, trauma, financial hardship, food insecurity, and other emergencies. Through our Free Community Store, outreach programs, community events, and resource connections, we meet immediate needs while working toward long-term safety and stability.

Our vision extends beyond emergency assistance. We are building toward emergency shelter, transitional housing, life-skills training, job readiness, employment support, and family wellness programs so women and children have a true path forward after crisis.

Your support is more than a donation. It is a partnership that helps create safer homes, stronger families, and healthier communities throughout Lake, Geauga, Cuyahoga, and surrounding counties.

With gratitude,

Anna Love
Executive Director
Love Foundation

Who We Are

Love Foundation provides practical support, essential resources, and community connections for women, children, and families experiencing crisis. We focus on immediate relief, family wellness, safety, and long-term stability.

Our work is centered on helping families regain stability without shame, judgment, or barriers. We believe every woman, child, and family deserves access to basic needs, safety, support, and hope.

Current Programs and Services

- Free Community Store access by appointment
- Food assistance and basic household necessities
- Clothing, shoes, coats, and seasonal items
- Personal care and hygiene products
- School supplies and family support items
- Holiday assistance for children and families
- Emergency assistance and crisis support
- Community resource referrals and advocacy connections

Long-Term Vision

- Emergency shelter for women and children escaping crisis
- Transitional housing for families rebuilding after trauma
- Life-skills training and family wellness programming
- Job readiness, workforce development, and employment support
- Partnerships with community agencies, employers, and service providers

Community Impact

Love Foundation is a newer nonprofit with a growing reach and a clear mission. We are building credibility through action, service, partnerships, and consistent community support.

Recent Impact Highlights

- More than 2,300 individuals served annually through outreach and community support
- 60 families and 304 children supported during Christmas assistance programs
- More than 500 children reached through community Easter programming
- Hundreds of local families assisted through emergency outreach, food, clothing, essentials, and referrals
- Free Community Store support for families needing food, clothing, personal care items, household goods, and basic necessities
- 100% volunteer-driven, allowing sponsorship dollars to directly support programs, events, resources, and community outreach

Your sponsorship allows us to expand services, reach more families, and continue building the foundation for future housing and stability programs.

The Need We Are Addressing

Families in crisis often need more than one service. A woman escaping violence may need food, clothing, transportation, safety planning, childcare support, employment help, and a safe place to rebuild. A family facing financial hardship may need groceries, hygiene items, school supplies, and connections to stable resources.

Love Foundation exists to help bridge those gaps. We provide immediate support while working toward long-term solutions that address safety, stability, wellness, and independence.

What Sponsorship Helps Provide

\$250	Helps provide food, hygiene items, or essential supplies for local families.
\$500	Supports outreach resources and includes complimentary Lift-A-Thon vendor space.
\$750	Sponsors recognition at one selected event and supports event-based fundraising.
\$1,000	Helps stock family assistance programs and supports community outreach.
\$2,500	Supports multiple program areas, events, and family assistance needs.
\$5,000	Provides major community impact through year-round sponsorship support.
\$7,500+	Creates premier annual partnership support for programs, events, and future housing initiatives.

Community Partnerships

Love Foundation believes that collaboration creates greater impact. We are building relationships with service providers, businesses, volunteers, and community organizations that share our commitment to women, children, families, and local communities.

Current and Developing Partnerships

- Working alongside domestic violence organizations such as WomanSafe and Forbes House by recognizing their critical role in emergency shelter and survivor support
- The Body Shop of Mentor is the official gym partner and platinum in-kind donor for the Project Break the Cycle Lift-A-Thon
- Local businesses support events through sponsorships, in-kind donations, raffle items, volunteer support, and promotional partnerships
- Community volunteers help operate events, sort donations, support outreach, and provide hands-on assistance

Your business can join this network of partners helping families move from crisis toward stability.
